FEATURES

FEATURES OF THE ELECTRONIC IGNITION SERIES

Radiant heat transfers warmth to objects, including the human body. It provides the bone warming feeling like sunlight on the beach, even though the air might be a little cooler. Convection heat transfers warmth to air, which will in turn satisfy the wall thermostat, but will keep objects, including the human body cooler. The Ambiance® Inspiration® Inserts series offer you both technologies. Choose to operate without the fan and get an amazing radiant heater. Choose to operate it with the fan and you will be getting one of the most efficient inserts on the market today! Flexibility will serve you well!

No Electricity Required

The Ambiance® Inspiration® Inserts series perform very well if you find yourself without electricity. As one of the most efficient inserts on the market, it will keep you warm!

«Ecotel» Remote

The Inspiration® 29 and 34 come standard with the fan system, the ambient lights and the Ecotel remote.

Optional Fireplace Grate (only for Inspiration®29)

A piece of Timber really adds value to a fireplace mantel. With fireplaces becoming more and more efficient, clearances to combustibles have increased. Too many times, having a piece of wood above the fireplace is simply not possible. This is why, Ambiance® Dealers have decided to get a solution in place. **These Ambiance® Mantels are non-combustible!**

WHY CHOOSE AN AMBIANCE® FIREPLACE OR GRILL?

Ambiance® transforms a house into a home!

Ambiance® products will add elegance, peace of mind and comfort to the Soul of your home. All Ambiance® products are carefully selected and designed with your home in mind, to enrich the areas of your home where memories and life take place. The best quality and innovation are shown in the enhanced detail and features that add a little «je ne sais quoi» in our Ambiance® designs.

Who are our designers? They are a network of over 300 Hearth & BBQ authorized members from coast to coast covering both Canada and USA. From Alaska to Québec and Florida to California, they know what it takes to warm up your life and use their real-world experience to design quality and innovative products for your home.

Who can sell the Ambiance® products? Only our select authorized dealers who are local professionals and who understand your local codes and standards.

A house needs a sense of Ambiance® to transform into a home.

Ambiance®
the Soul of your home
